

Back to School After COVID-19

Please join us for a **free** special education legal clinic focused on the needs and rights of students with disabilities following the COVID-19 pandemic.

All clinics will include:

- A **group training** (approximately one hour) about the rights of students with disabilities related to the COVID-19 pandemic. *No RSVP required.*
- Followed by **individual break-out sessions** with attorneys and advocates, to problem-solve the unique challenges that your student(s) may be facing. *Please RSVP below.*

Spanish interpretation will be provided during the **group training** for Clinics 5 and 6.
Please RSVP and request interpretation support for individual break-out sessions.

WHEN/WHERE:
